

College Credit Registration Form

Pacific Discovery is proud to work in partnership with The Gap Year Association and Portland State University to offer our students the option to earn college credit while on our programs.

Each student can complete up to 18-credits during their gap year semester. Upon successful completion of coursework, students will receive an official transcript from PSU with letter grades, unless specified otherwise on the course syllabus.

It is the student's responsibility to have read and understand all course requirements. It is also the student's responsibility to complete all course requirements independently. Pacific Discovery is not responsible for any incorrectly filled out, past deadline or missing documentation. If any student incurs disciplinary action and is removed from the program for not abiding in Pacific Discovery's behavioral guidelines, the student will not be refunded for course fees and will be at risk of not being able to fulfill course requirements.

Each university has its own restrictions around transfer credits. If the future university is known, it is important that the student contacts their university of choice's registration office to confirm transfer of credits before going on program. Pacific Discovery does not guarantee that any course credits will transfer to a student's future university, hence prior student confirmation is recommended.

The fee for the coursework is a non-refundable flat fee of \$1,700 USD, payable to Pacific Discovery, regardless of how many courses are chosen. Students can enroll in courses past the semester deadline for an additional late fee of \$100 USD. Courses offered, syllabi, and deadlines can be found and downloaded on our website.
